Central Christian School is excited to announce our new Fee-Free Tuition for the 2019-2020 school year!

Parents considering private, Christian education for their children need to be aware of three very important reasons Central Christian School is the best value for their family.

First, Central Christian School has an academic FEE-FREE tuition program. This simply means that the tuition payments listed represent the total expenditure for our school families for all academic costs. There are no additional fees. This means you will not pay book fees, testing fees, supply fees, art fees, music fees, technology fees, fundraiser fees, sustaining fees, student fees, K-5 or senior graduation fees or Junior or Senior class fees. Yearbooks are included for each student.

The only fees remaining are club or sports participation fees.

The tuition payment is your TOTAL academic expense!

Second, the 2019-2020 tuition schedule is still less, and in some cases substantially less, than the tuition of other private or Christian schools in our area. And they will still be charging up to \$1800 per child per year in additional fees!

We believe our Fee-Free Tuition is more transparent and informative for parents attempting to plan and budget for their children's education expense. We are confident new Central Christian School families will appreciate the simplicity of Fee-Free Tuition, and enjoy the freedom from frequent, burdensome fees. This program will also allow all our students to pursue Art, Music, or Technology classes without the concern of additional expense.

Third, Central Christian School is committed to providing quality Christian education at the best value possible. We offer many discounts to interested families: multi-child, military, first responders, income based, ministry, etc. Please inquire in the school office to discover how you can become part of the CCS family.
